Redditch Mission Area News September 2024

It's time to ignite a wave of change across our churches and communities! On Safeguarding Sunday, November 17th, let's unite in a powerful conversation about creating safer spaces for everyone. It's time to break the silence, have open conversations, and work together to prevent abuse. This year's theme, "Let's Talk About It," lets us explore how we can prevent abuse and foster a world where every child and adult feels safe and protected. Whether you dedicate a few minutes or a whole service, the Thirtyone:eight pack has everything you need to plan a meaningful experience. Kashmir Garton, from the RMA Core Group Team and recent chair of the CoFE National Safeguarding Panel, is ready to support churches interested in developing a Safeguarding Sunday service – just contact us on elaine@cofe-redditch.org.uk and let us know! By participating, your church can foster greater awareness, empower survivors, attract volunteers, and strengthen your safeguarding team. Let's make a difference together!
