## Toddler Groups: Building Community One Family at a Time

Raising children is a joyful but often exhausting journey. In the Redditch Mission Area, our toddler groups offer a vital "safe space" for families to connect, and we have many and varied opportunities for toddler groups and family ministry. Whether it's the weekly consistency at Webheath, Forest Church at Tardebigge, or Families at 4 in Church Hill, these groups are often the first step into church life.

As Lis, a local mum, shares: "It's a relief to walk into a room with friendly faces and a cup of tea." Whether you're a parent or a childminder, come find lifelong friends and a community that "gets it."

## Planting Seeds, Harvesting Change: Our Eco Journey

Change is blossoming across the Redditch Mission Area! We are delighted to celebrate St Leonard's, Beoley for achieving their Silver Eco Church Award, alongside St John's (Greenlands), St Stephen's (Redditch), and St Bartholomew's (Tardebigge) who already hold Bronze Awards.

These achievements reflect a deep commitment to caring for God's creation through our buildings, land, and worship. And it doesn't stop there, we could do more. Is your church ready to join the journey? Whether you are just starting or aiming for the next level, the Mission Area is here to support you.

Let's walk together. Contact us at [info@cofe-redditch.org.uk](mailto:info@cofe-redditch.org.uk) to get started

## Can you be our Eco Champion?

Redditch and Bromsgrove Deanary are looking for their Eco Champion. This person could have already helped a church with their Eco Church awards, or just be passionate about equipping the church to care for creation.

Do you know someone in your church which could fit this description? Email [info@cofe-redditch.org.uk](mailto:info@cofe-redditch.org.uk) for a chat!
